Board Elections

Serving on the Greater Pittsburgh Police FCU Board comes with a great deal of responsibility. The Board is tasked with setting the strategic direction of the Credit Union, the Board of Directors has an obligation to ensure we abide by our Mission and has a fiduciary duty as guardians of the Credit Union assets.

We have 4 incumbents holding various positions that are up for re-election. If you would like to run for a Board seat please visit our website (www.pittsburghpolicefcu.com) under forms for an Election to the Board of Directors application packet.

Our Nominating Committee, made up of three GPPFCU members, will review all completed applications submitted by January 31st, 2023. Applicants will be notified in mid to late February as to whether or not they will be placed on the ballot.

Stay tuned for more information on the **88th** Annual Meeting. Details to come early 2023.

Thank You

Thank you to all of our members who have honored us by selecting GPPFCU to provide your financial needs. Without you, we would simply not exist. We continue to make prudent financial decisions to ensure you get the utmost return for your hard earned dollar through the best possible rates and minimized fees.

A simple "thank you" is not nearly enough to express the total sense of gratitude we feel at GPPFCU.

We hope everyone is safe and healthy in 2023.

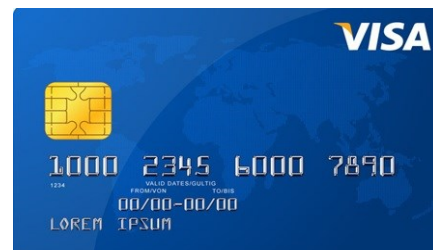

Did You Know!

Mobile payment could soon make your wallet obsolete by allowing you to pay with just the tap of your phone or smartwatch. GREAT NEWS! Greater Pittsburgh Police FCU offers Apple, Samsung and Google pay for your Debit Card. Download the App on your smartphone, add your card and be on you way. It is as easy as that.

For a limited time only GPPFCU will be offering a balance transfer rate of 3.99% APR

High credit card balances can take a huge chunk out of your budget when interest rates cause high minimum monthly payments. GPPFCU has a plan in place to help members clear debt without having your payments going towards high interest rates. There are NO balance transfer fees with a 3.99% APR for the life of the transfer. By offering a card with minimal fees and favorable terms, GPPFCU helps our members save money and wipe away existing debt faster. This promotion starts January 1st and will end February 28th. Call or stop in the office for more information.

An Easier, More Secure Option for Paying Bills

Bill Pay is available to those with a GPPFCU checking account enrolled in Online or Mobile Banking.

Access your bills with a single login and security code.

Manage your finances on the go. Make one-time or schedule payments directly from our mobile app.

Never miss a payment. Avoid late payments (and potential fees) by scheduling on or before your due dates.

Control and modify payments as needed. Unlike auto debit or ACH payments where funds are automatically withdrawn from your account, with Bill Pay, you get the flexibility of how much you want to pay and when.

Protect your identity with a reduced paper trail. Almost 85% of identity theft cases are due to lost checkbooks, payments lost in the mail, and paper statements. When you receive e-Bills and pay bills online, your payment information is protected by the same standards that secure your online account.

Dormant Accounts!

At GPPFCU we understand accounts go unused for many different reasons. You may have moved, you may have simply forgotten you had an account with us, or maybe a family/parent opened an account for you years ago and you had no idea. While we hope you continue utilizing our services we want you to be aware of how an account can become dormant.

Dormant accounts are defined as accounts that have had no activity on shares/savings or checking for period of 12 months or more. After 18 months of no activity a \$3.00 fee is assessed each month. Dividends posting is not considered live activity and will not protect your account from being dormant.

What can you do to prevent your account from going dormant?

- Request a withdrawal
- Make a small deposit
